MASONS ADD ANOTHER LAYER

65,000 Man Hours Later

by AL ZELLNER

It has taken more than 65,000 man hours to construct the concrete shell that rises from the fields along Country Club Drive.

In the picture above, four masons are adding another layer to the already layed 82,000 bricks and 54,000 blocks. With the ten masons employed, this averages to 13,600 bricks and blocks for each man to handle, mortar, and set. In other areas iron workers scramble among metal supports pointing hissing torches at metal to be welded. Over 290 tons of re-enforcing steel has been employed.

Approximately twelve plumbers are assigned to install over 20,000 linear feet of pipes. Five electricians have the job of installing the total electrical complex of the building. The number of men assigned to a job varies from day to day depending on supplies and priority jobs.

Mr. Joseph Diemer, Representative for Granzow and Guss Architect's of Columbus, expressed belief that the hull containing 5,500 cubic yards of concrete and consisting of three floor levels totaling 90,000 sq. ft., will be completely furnished and operative by the beginning of the 1968, Fall Quarter.

General Contractor for the Ohio State University Newark Campus Building is Mellon-Stuart of Pittsburgh.

Trojans Finish First In Basketball

The "Trojans" finished first in the OSU Newark Campus intramural basketball program which concluded on Saturday, April 13 at the Licking County YMCA. The "Trojans" had a perfect record of seven wins and no losses. Reggie Pitt served as team captain.

O.S.U.N.C. TO HOLD MAY FESTIVAL

On Friday, May 10, Phi Alpha Beta, Sigma Tau Omega, and Alpha Pi Epsilon are sponsoring a Spring Fling Festival at the Newark Campus of the Ohio State University. The May Day celebration will start with an Olympic torch run climaxing in the student parking lot at 5:00 P.M. Amusements such as fortune telling, Bozo dunking, wagon racing, and dancing will highlight the evening. All Newark Campus Students and their guests are invited to attend the festivities and are assured by the three social organizations of an enjoyable evening.

STUDENT SENATE MEETINGS ARE OPEN

For those who do not know, all Student Senate meetings are open to the students. If any student or instructor has any ideas or objections to the policies expressed by the Senate they are welcomed and encouraged to attend and express their views. Since the Senate is a governing body of the whole student body, the only way it can function properly is to hear from the students. If you have a complaint, attend a Senate meeting and express it to the Senate.

Meetings are held every other Wednesday at 10:00 P.M. in room 18-E.

Twenty-four Volunteer For Camp Work

Twenty-four Newark Campus students will volunteer their talents as teacher-counselors for four, one-week sessions starting April 28. Each of the teachers will be responsible for a cabin of 15 sixth grade students. They will also plan and teach a curriculum for 75-100 students in the areas of math, safety, forestry, and folk lore.

The program will be held at the Big Brother's Camp located in Hocking Hills. Those students volunteering are Nancy Wolford, Don Renner, Carol Lea, Steve Schorger, Don Roberts, Jeff Litten, Michele Finney, Garland Snyder, Bruce Summers, Jackie Tilton, Patsy Alden, Phil Gantt, Randy Peele, Linda Angeletti, Mary Ann Tiburzio, George Abdalla, Penny Parkinson, Bonny Meagher, Judy Luikart, Pam Fox, John Woolard, and Gary Chaconas.

Campus Chorale Performs For Three Area High Schools

by DON ROBERTS

On April 30 the Newark Campus Chorale, directed by Herman Larson, traveled to Licking Valley, Watkins Memorial, and Northridge high schools to present a program of choral music. The group sang "Carmen Ohio," "Hava Nagila," "Moon River," "Io ti Voria," "Every Night When the Sun Goes In," "It Was a Lover and His Lass," "Tenderly," "More," "Medley" from *Mame*, "Go 'Way from My Window," and "Didn't My Lord Deliver Daniel?"

During an interim of the concert Melody Friend entertained the three audiences with a ventriloquistic act.

Although the Chorale was well received by all three schools, the audience at Watkins Memorial exhibited unusual appreciation and enthusiasm for the program.

CIRCLE K PLANS CAR WASH

On April 23, Circle K planned to hold a car wash next to Wilson Junior High on June 8. This is the same day as the O.S.U.N.C. spring formal; making it possible to have your car washed without soaking yourself. The fee was set at one dollar.

The Club also agreed to buy a copy of the *Outlook* for the new library.

Next years officers were elected with Dennis Morris elected president; Wayne Ehret, vice-president; Ken Yonker, Treasurer; and Ed Geer, secretary.

Inter-Senate Council Formed

April 20 saw the dream of a combined Student Senate of the four Ohio State University Regional Campuses become a reality. A group of senators representing each campus met in Marion at the new Marion Campus Building. Their main goal was to discuss a tentative constitution and meet in small discussion groups to talk about the activities taking place on each campus. The purpose of the Inter-Senate Council is to coordinate activities and to suggest programs and ideas to the individual senates. The Council has only the power to make suggestions and has no real decision power.

O.S.U. To Present Century's Greatest Musical

My Fair Lady, the most praised and most widely seen musical comedy of our century, will be presented by University Musical Productions from May 22 to May 25 at Mershon Auditorium. The performances will start at 8:00 P.M. each night with a special afternoon performance at 2:30 P.M. on May 25. Tickets for the play may be purchased at the Mershon Auditorium Ticket Office and cost \$1.00, \$1.75, and \$2.50

Team members included Jim Ghiloni, Bill Griffith, Rick Linn, Dave McFarland, Reggie Pitt and Chris Zelein.

Second place honors in the intramural basketball program went to Sigma Tau Omega. Their record for the season was six wins and one loss. The STO team consisted of Tom Boder, Doug Frost, Doug Greenup, Greg Hobbs, Dave Morris, Larry Pumpelly, Tom Restorick, Larry Saunders, and Terry Wilkins.

(continued on page 2)

THE ORACLE

The Oracle is published every two weeks on Newark Campus and is distributed to students free of charge.

Will Springtime Trap You?

With the freshness and beauty of spring finally striking the Newark Campus, students have a tendency to follow the temptations of the season. The urge to cut classes and forget homework is so overwhelming that it sometimes takes hold of the student. Outdoor interests such as fishing, boating, swimming, golf, and tennis turn the once devoted scholar to a procrastinator. At the end of the quarter, he inevitably finds himself having "flunked-out" or being placed on probation. In order to avoid such a fate, the student should budget his time properly. This means giving studies top priority over outdoor activities.

If you find yourself in this position, now is the time to take action. Improved grades will make the summer more enjoyable and the return to school more possible.

Titans Honored at Outdoor Feast

On Sunday, April 28, this year's Titan basketball squad and cheerleaders were guest of honor at a caterer's supper at Dawes Aboretum. Other guests were Dr. Robert Barnes, Mr. and Mrs. John Armstrong, and Mrs. Gary Vermilion.

Dr. Barnes presented a brief commentary on the past season, in which he stated that, although the Titans did not have a winning season, the team displayed championship basketball in every one of its games. He expressed his thanks to the team, coach, and cheerleaders for the fine sportsmanship displayed at all the games.

Gary Vermilion, in his first year as college coach, told those present he believed that had there been five more minutes in each game lost, the Titans would have been undefeated. In his remarks Vermilion expressed his appreciation to Denny Gilbert and John Heffley for their coaching assistance, to Denny Morris and Steve Schorger for helping with scorebook and statistics, and to Phil Gantt for the pep band. He showered special praise on the cheerleaders for their fine support throughout the entire season.

First-year players receiving scarlet jackets were Tom Arthur, Gary Chaconas, George Chaconas, Clark Coleman, Jim Hathaway, Greg Jones, Jack Kilpatrick, John McLeish, George Sissea, Jim Valentine, Paul Webster, Bud Wise, John Woolard, and trainer Dana Wigle.

Two second-year players that were key performers during the past season were Co-captains Bob Price and Walt Weber.

Cheerleaders receiving recognition were Pam Fox, Cindy Heps-worth, Sue Pease, Patty Perge, Jackie Tilton, and Linda Woolard.

(Trojans from p. 1)

Phi Alpha Beta concluded the season in third place position with four wins and three losses. Circle K and "The Underdogs" tied for fourth place with three wins and four losses each. The "Chargers" wound up in fifth position and the "Gorillas" in sixth with three wins and four losses and two wins and five losses, respectively. The "Cardinal Puffs" finished in the final spot with no wins and seven losses.

A CHAPTER OF ALPHA PHI OMEGA PROPOSED FOR NEWARK CAMPUS

Plans for the establishing of a chapter of Alpha Phi Omega fraternity on Newark Campus are now in progress.

APO is the National Service Fraternity for college and university men. Its purpose is to "assemble college men in the fellowship of the Scout Oath and Law, to develop Leadership, to promote Friendship, to provide Service to humanity, and to further Freedom that is our national, educational and intellectual heritage." Any man with some past Scouting affiliation and a desire to render his cheerful service to others is eligible.

It affords an opportunity for a member to help his college, his community, his nation, and himself. Any person interested in becoming a member should see Mr. Bradley, Ken Secrest, or Al Kellner. A survey will be conducted to determine whether there is enough interest to warrant forwarding a charter application to the national office.

Mr. Bradley and Dr. Barnes have consented to become advisers of the fraternity.

LETTER TO THE EDITOR

Dear Sir:

During the recent campaign for the office of student-body president, I noticed that certain candidate(s) used OSUNC mimeo materials for their campaign bills. I would like very much to know if these supplies were bought and, if not, why private campaigners had used paper purchased with public funds. Thank you.

FACULTY COUNCIL ELECTS OFFICERS

The Faculty Council, which formed this year on Newark Campus and which is composed of instructors that teach full time here, recently elected its officers for the next year. Robert Dorrell has become the organization's first president; Dr. Jesse Plummer, the vice president; and Miss Barbara Campbell, secretary. As business manager of the local campus, Robert McGaughy will serve as treasurer.

Barclay Makes Four-Point

Of interest to students on campus that knew Craig Barclay at Newark Senior High School is the information that he received a four-point for the Winter Quarter on main campus. He is a sophomore at Ohio State and a member of the Buckeye basketball team.

Barclay has also been elected to Bucket and Dipper, junior men's honorary. A singular honor for Craig is that he is one of two students on the main campus that has been selected to serve on the Athletic Council and is the first sophomore to be selected for quite a number of years.

Craig is the son of Robert Barclay, principal of NHS, and Mrs. Barclay, teacher at Woodside School.

Bowling Play-offs Held

On Wednesday, May 8, Newark Campus held a playoff to see who would represent the men's division for bowling in the upcoming spring tournament. Highest to qualify was Larry Pipes, with an even 600 series for three games—his game scores being 200, 201, and 199. Others to

qualify were, in order of their scores, Jim Valentine, Don Roberts, Ted Wilson, and Bob Ross.

The tournament will be held May 18, and competition will start at 1:30 in the afternoon at Park Lanes. Teams will compete for first- and second-place trophies, the awards based upon total pins.

OSU To Show Three Films

During the Summer Quarter, the main campus will show three, color, travel films at Mershon Auditorium. The first, "Our National Parks," will be run on June 26; the second, "Mexico's Golden Beaches," on July 10; and the third, "Byways in Britain," on July 31. Each will start at eight in the evening. Admission for the shows will be one dollar for adults, seventy-five cents for students, and fifty cents for children under twelve.

No Classes Scheduled For Newark Campus On May 23

According to an announcement issued from the office of Dr. Barnes, "There will be no classes on the Newark Campus on May 23." Members of the local campus will travel to Marion Campus to hear an address by Dr. John Corbally, vice president of the University.

BRIEFS

Official enrollment on Newark Campus for the Spring Quarter is 564.

Sometime next year Newark Campus will be visited by representatives from the main campus to observe classes and to assess work done at the local facility. Such a group visited Newark on May 3 to learn of any problems which Columbus officials could help to solve. The four-member team talked with students and full-time faculty members. Previous to their coming, Dr. Zimmerman, Dean of University College, spoke to the Faculty Council. He pointed out that regional campuses are an integral part of the university complex.

For the last issue of the *Oracle*, to be distributed on June 3, the staff is planning supplementary reports on activities of organizations as well as campuswide functions for the three quarters of 1967-68.
